## PROFILE

With a year of experience under my belt, I am the PERFECT candidate for your project. I specialize in doing marketing campaign for Amazon products. From listings creation, keyword research to the creation of PPC campaigns, AMS campaigns, and product launch, I have the skills to build your listing and improve its ranking on Amazon's search results. All work is completed by ME, and not outsourced to someone else. I pride myself on providing the highest quality of work, and will never complete the project until the client is 100% happy and satisfied.
